

How to Determine your Account Balance

Log in to your [library account](#) (you will need your 14 digit library card # and PIN).

Click **My Account** and then **Fines**.

Current Fines shows any Current Fines you have and the **Total Due**. In the example below, the total is \$10.79. Do not pay more than this amount! If you have Overdue item(s), you may want to try to **renew** them before paying fines.

Overdue items will show up in the **Accruing Fines** tab. These are **Estimated** Fines and as such, are not yet Bills and cannot be paid. Renewing or returning items will convert Estimated Fines to payable Bills and stop them from accruing additional fines. You can **renew** eligible items from the **Checkouts** tab.
