

Subject: Registration of Patrons and Library Cards

Purpose:

To make the resources of the public library available to individuals and institutions.

Policy:

Montgomery-Floyd Regional Library System library cards are available at no charge to:

- residents of Virginia
- out-of-state residents who own real property within Montgomery or Floyd County
- out-of-state residents who attend school in Montgomery or Floyd County or the City of Radford
- out-of-state residents who are employed in Montgomery or Floyd County
- institutions in the New River Valley

Others who live out-of-state must pay an annual fee for a library card.

Verification of identity and residence are required to obtain a library card.

Library cards expire every two years, unless noted below. Library cards can be renewed by verification, in person or by telephone, of current address and/or other identification used to establish eligibility.

Borrowing privileges may be suspended, revoked, or denied to anyone whose current or previous record as a library borrower reveals willful or habitually careless disregard for the protection and return of borrowed material or for the evasion of payment for assessed damage to Library property.

CHILDREN'S LIBRARY CARD

For registration of a child under 18, the child must be present, and a parent or guardian must show identification and verification of residence and sign the child's application. Parents/guardians are responsible for materials borrowed by children. According to the provisions of the Virginia Freedom of Information Act (§ 2.2-3705.7.03), access to library records, including borrowing records, of patrons under 18 years of age shall not be denied to the parent, including a noncustodial parent, or guardian of such library patron.

NEIGHBOR LIBRARY CARD

MFRL believes that persons who are currently unable to verify a permanent address are neighbors in our community, and are eligible for a Neighbor Library Card. Neighbor Cards are good for 60 days, and patrons may have up to three (3) physical items checked out at one time. Neighbor Cards may be used to access all MFRL e-resources and public computers. Verification of identity is required to obtain a Neighbor Card. A photo I.D. is preferred, but if it is not available, another proof of identity is required. Neighbor Cards may be renewed when necessary with verification of identity.

INSTITUTIONAL LIBRARY CARD

Institutional Library Cards are available to institutions, such as schools, assisted living facilities, and day care facilities in the New River Valley. An Institutional Card may be issued to individual classes, but the application must be signed by the principal or director. The card may not be used by staff for personal use. Privileges may be revoked if the Institutional Card is abused in any manner. Abuses may include, but are not limited to, personal use of the Institutional Card, failure to pay for a lost or damaged item, and failure to return items on time. Institutional Library Cards expire every year and can be renewed by completing a new institution card application.

RECIPROCAL BORROWING WITH NEW RIVER PUBLIC LIBRARIES COOPERATIVE

Reciprocal Borrowing Privileges are available at all public libraries of the New River Valley (the New River Public Libraries Cooperative [NRPLCoop]) at no charge to any resident of:

- City of Radford / Radford University
- Craig County
- Floyd County
- Giles County
- Montgomery County
- Pulaski County

Registering for a NRPLCoop library card at a Montgomery-Floyd Regional Library Branch in Blacksburg, Christiansburg, Shawsville, or Floyd, will begin the process. The patron may then register, using the same card, at libraries in Radford, Pearisburg, Narrows, Pulaski County and Craig County and use those libraries if they so desire.

ONLINE CARD REGISTRATION

Any eligible person may register for a card using the Online Registration form on the library's website. Online registrants may checkout and use digital resources, and place up to 5 hold requests on physical material (books, DVD's, audiobooks on CD, etc.). To check out physical material, online registrants must visit a library branch and verify their identity and residence to obtain a permanent library card. Online registrations are valid for 30 days.
