

Subject: Parking Lots

Purpose:

To ensure library parking lots are available for the convenience of library patrons.

Policy:

Library parking lots are only for the use of library patrons during open library hours. No overnight parking is permitted unless permission is granted by the Library Director or designee. Vehicles may be towed if left overnight; if not parked in a designated spot; if blocking traffic flow; if causing a dangerous situation; or in any other way interfering with the legitimate business of library patrons or staff. The library staff may ask a driver to correct any parking situation.

Montgomery-Floyd Regional Library does not assume any responsibility for damage to or theft of any vehicle in the library parking lots or for personal injury to any person or persons using the parking lots.
